Dear Sir or Madam:

This is to provide the required information to comply with our obligation under DSHEA labeling regulations.

Supplement: Calcium/Magnesium Amino Acid - Chelated

Manufacturer, packer: Natural Factors Nutritional Products, Ltd.
3655 Bonneville Pl.
Burnaby, BC
Canada V3N 4S9

Distributor: Natural Factors Nutritional Products, Inc.
1420 80th St. SW, Suite B
Everett, WA 98203

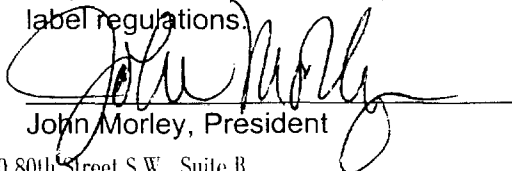

Text of the side panel: Natural Factors has combined Calcium (350mg) and magnesium (175mg) amino acid chelates with Vitamin C, Potassium, Zinc and Silica. Calcium ensures strong bones and teeth and is necessary for normal nerve function and muscle contraction. Magnesium is necessary for protein synthesis, carbohydrate metabolism, proper muscle function and helps to absorb calcium and potassium. Vitamin C, an extremely popular antioxidant, maintains healthy tissue and supports general health. Potassium is added to work with calcium for nerve impulses and muscle contraction while Zinc supports our body's defenses, healthy skin and reproductive system. Silica is also added to support healthy bones, hair, skin and nails.*

Text on PDP: Supports healthy bones, muscle function, reproduction and metabolism.*

Name of dietary ingredient that is the subject of statement: Calcium/Magnesium

Name of the dietary supplement: Natural Factors

I represent the information presented to be accurate and in compliance with supplement label regulations.

John Morley, President
